Muttireddy Vijay Vardhana Raju

CHIRALA, A.P | 8897577415 | VARDHANVIJAY980@GMAIL.COM |PORTIFILIO

Objective

To pursue a challenging career and be part of a progressive organization that gives scope to enhance my knowledge, skills and to reach the pinnacle in computing with sheer determination, dedication and hard work.

Experience

Mern full-stack | MakeSkulled Pvt.Ltd   **Sep 2023 – Oct 2023**

Developed and Designed a Color Box Application: Highlight your role in developing and designing a color box application. Describe your contributions to the project, such as designing the user interface (UI), implementing user experience (UX) principles, and coding functionalities. Mention any specific technologies or frameworks you used, such as HTML, CSS, JavaScript, or a particular mobile development platform (e.g., React Native for mobile apps).

Salesforce Developer Virtual Internship   **Aug 2022 – Oct 2022**

Salesforce Development Internship Experience: Describe your virtual internship experience as a Salesforce Developer, detailing your responsibilities, tasks, and achievements during the internship. Highlight any specific Salesforce projects you worked on, such as customizing Salesforce applications, developing Salesforce solutions using Apex and Visualforce, or implementing automation workflows using Process Builder and Flow.

Education

St. Ann's College of Engineering and Technology, Chirala   **Aug 2020 – Apr 2024**

Bachelor of Technology (B. Tech), Computer Science and Engineering, GPA: 6.61

projects

Color box app:

Led the design and development of a Color Box application, incorporating advanced color theory principles and intuitive functionalities to provide users with a seamless and visually appealing experience(e.g., React Native for mobile apps)

Gender and Age prediction using cnn:

Developed and implemented Convolutional Neural Network (CNN) models to accurately predict gender and age from images, achieving high classification accuracy through innovative architecture design and rigorous model evaluation.

Certificares

- CERTIFIED IN Microsoft Azure Fudamentals
- CERTIFIED ON MERN Full Stack
- CERTIFIED ON Machine Learning Intern

Skills & abilities

- Ui/ux designer
- Video edting, Photo designing
- Full-stack developer
